## Materials

- Worsted weight yarn (approximately 200-250 yards)
- Crochet hook (size recommended on yarn label)
- Scissors
- Yarn needle (optional)

## Abbreviations

- ch - chain
- sc - single crochet
- dc - double crochet
- sl st - slip stitch

## Instructions

### Part 1: Creating the Foundation Chain

1. Begin by making a slip knot and placing it on your crochet hook.
2. Chain 120 stitches or to your desired length.

### Part 2: Crocheting the Main Body

1. **Row 1:** Single crochet in each stitch across the foundation chain. (120 sc)
2. **Row 2 and subsequent rows:** Double crochet in each stitch across the row. Repeat this row until your scarf reaches the desired width. (Note: The width will determine how many rows you need to crochet.)

### Part 3: Joining the Ends

1. Once you have reached the desired width, slip stitch the first and last rows together. This will create a loop.
2. Cut the yarn, leaving a tail for weaving in. Thread the tail through a yarn needle and weave it in securely.

## Styling Tips

- Drape the infinity scarf around your neck twice for a cozy and warm wrap.
- Fold the scarf in half and loop it around your neck once for a looser, more relaxed look.
- Accessorize with a brooch or embellishments to add a touch of glamour.
- Pair your infinity scarf with a matching hat or gloves for a complete ensemble.

Congratulations! You have successfully crocheted a beautiful and functional infinity scarf. Embrace the warmth and style it brings, knowing that you have mastered a new skill. As you progress in your crochet journey, explore endless possibilities by experimenting with different stitch patterns, colors, and embellishments. Be inspired to create one-of-a-kind accessories that will elevate your wardrobe and bring joy to your days.
