## **Gauge**

Machine knit at tension 10. Your gauge should be approximately 5 stitches and 6 rows per inch.

## **Instructions**

### **Part 1: Sole**

1. Cast on 28 stitches using the long-tail cast-on method.
2. Knit 10 rows in the rib stitch (k1, p1).
3. Switch to stockinette stitch (k all rows).
4. Knit 40 rows.
5. Bind off all stitches.

### **Part 2: Lining**

1. Cast on 26 stitches using the long-tail cast-on method.
2. Knit 12 rows in the rib stitch (k1, p1).
3. Switch to stockinette stitch (k all rows).
4. Knit 48 rows.
5. Bind off all stitches.

### **Part 3: Assembly**

1. Place the sole and lining fabrics right sides together.
2. Using a yarn needle and thread, sew around the edges, leaving a small opening at the heel.

3. Turn the slippers right side out and insert the lining inside the sole.
4. Stitch the opening at the heel closed.
5. Fold the top edge of the slipper down and sew it to the sole to create the cuff.

## **Customization**

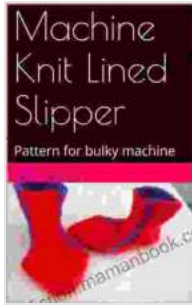

- Experiment with different yarn weights, textures, and colors to create unique slippers.
- Add embellishments such as pom-poms, tassels, or beads for a personal touch.
- Adjust the size of the slippers by casting on more or less stitches.
- Create matching slipper sets for yourself and loved ones.

## **Tips**

- Use high-quality yarn for durable and comfortable slippers.
- Pay attention to tension to ensure your slippers fit properly.
- Take your time and enjoy the process of creating your own cozy slippers.

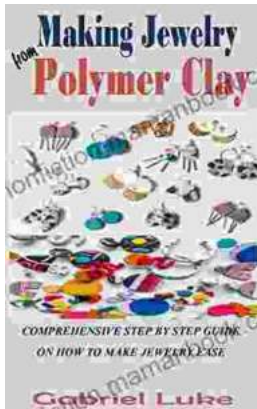

Embark on your machine knitting journey with this comprehensive Machine Knit Lined Slipper Pattern. Whether you're a beginner or an experienced knitter, this guide provides all the necessary steps to create warm, stylish, and custom-made slippers. Enjoy the comfort and satisfaction of wearing your own handcrafted creation.
