The Controversy

The Bloodlands Collection has been met with controversy since its release. Some people have criticized the sets for their violence and gore, arguing that they are not appropriate for children. Others have called for the sets to be banned, arguing that they promote violence and desensitize children to it.

The Brick Slayer has defended the Bloodlands Collection, arguing that it is a work of art and that it is important to have art that reflects the darker aspects of human nature. He has also pointed out that the sets are clearly marked as not being appropriate for children.

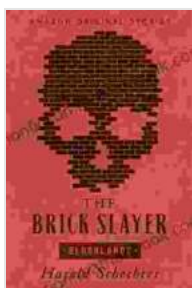

The Fans

The Bloodlands Collection has also gained a cult following, with fans who appreciate its dark and disturbing aesthetic. These fans argue that the sets are a unique and innovative way to express one's creativity. They also argue that the sets are not actually violent, but rather a commentary on violence.

The Bloodlands Collection is a controversial and unique series of LEGO® sets. The sets are dark and disturbing, but they are also a work of art. Whether you love them or hate them, there is no denying that the Bloodlands Collection is a thought-provoking and challenging series of sets.
