When they got to the park, they were amazed by all the things to see and do. There was a playground with swings, slides, and a merry-go-round. There was a pond with ducks and geese swimming around. And there were even some friendly squirrels running through the trees.

Susie Lou and Little Beep Beep couldn't wait to explore it all. They started by going on the swings. Susie Lou swung higher and higher, until she felt like she was flying. Little Beep Beep perched on her shoulder and sang a happy song.

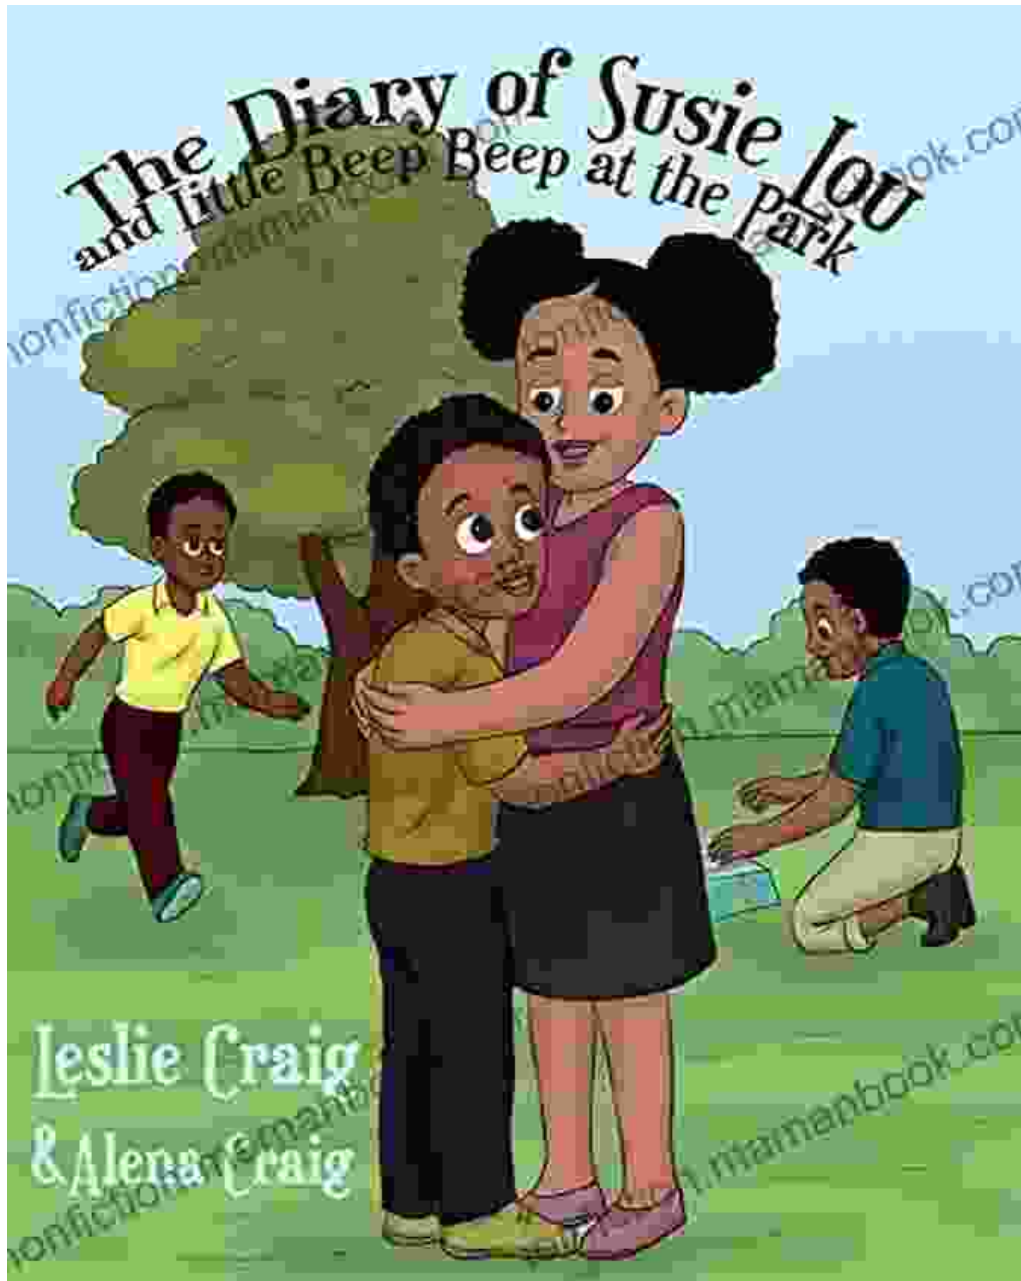

After the swings, they went down the slide. Susie Lou went first, and Little Beep Beep followed close behind. They squealed with delight as they raced to the bottom.

Next, they went on the merry-go-round. Susie Lou sat on one of the horses, and Little Beep Beep sat on her lap. They held on tight as the merry-go-round spun faster and faster.

After the rides, they went to the pond to feed the ducks and geese. Susie Lou had brought some bread crumbs, and she tossed them into the water. The ducks and geese came swimming over to eat the crumbs, and Susie Lou and Little Beep Beep laughed as they watched them.

Finally, they went to sit under a tree to rest. Susie Lou took out her diary and started to write about all the fun they had had. Little Beep Beep perched on her shoulder and listened as she wrote.

When they got home, Susie Lou showed her mom the diary. Her mom smiled and said, "What a wonderful day you had! I'm so glad you and Little Beep Beep had such a good time." Susie Lou smiled back and said, "Me too, Mom. It was the best day ever."
