The murder of Gina Robinson, a 22-year-old aspiring actress, sent shockwaves through the nation in 1985. The gruesome nature of the crime and the subsequent cover-up attempts made The Murder Game one of the most notorious unsolved cases in American history.

The Murder

On September 27, 1985, Gina Robinson was found lifeless in her apartment in Los Angeles, California. She had been brutally stabbed 44 times, and her body bore signs of sexual assault. The crime scene was chaotic, with evidence of a struggle and a possible intruder.

The Investigation

The investigation into Gina Robinson's murder quickly became a media frenzy. Police initially suspected her estranged husband, Robert Wagner, but he was later cleared of any involvement. The lack of concrete evidence and multiple suspects made it difficult for investigators to determine the perpetrator.

Over the years, several theories emerged, including the possibility of a serial killer, a connection to organized crime, or a jealous rival. However, none of these theories have been conclusively proven.

The Aftermath

The murder of Gina Robinson had a profound impact on her family and friends. Her mother, Audrey Robinson, became a tireless advocate for victims' rights and campaigned for justice for her daughter.
