# The World English Bible Web: Timothy – An In-Depth Exploration

The World English Bible (WEB) is a free and publicly available English translation of the Bible. It was created by a team of scholars and translators from various denominations and backgrounds, and it is available online and in print. The WEB is known for its accuracy, clarity, and readability, and it has been praised by scholars and laypeople alike.

In this article, we will take an in-depth look at the WEB Timothy. We will explore the history of the translation, its features, and its impact on the Christian community.

The WEB Timothy was first published in 2005. It is a revision of the American Standard Version (ASV),which was first published in 1901. The ASV was a highly respected translation in its day, but it had become somewhat outdated by the early 20th century.
