A Literary Powerhouse: Oberon's Impact on Modern Theatre

Founded in 1956, Oberon Modern Plays has consistently pushed the boundaries of theatrical expression. Its mission has been unwavering: to showcase the most daring and challenging works by contemporary playwrights. Over the years, the company has produced a vast repertoire of plays that have resonated with audiences around the globe.

Oberon's productions have earned widespread critical acclaim and prestigious awards. They have been recognized for their artistic excellence, innovative staging, and insightful examination of topical issues. The company's impact extends beyond the stage, as its plays have sparked countless discussions and debates on social, political, and cultural themes.

Will Still Be Whole When You Rip Me In Half: A Play That Unravels Identity

One of Oberon Modern Plays' most notable productions is *Will Still Be Whole When You Rip Me In Half*, a captivating play by Ryan Calais Cameron.

At the heart of the play lies a complex exploration of identity and the human experience. It follows the journey of a young black man navigating the challenges of navigating societal expectations and personal desires. Through a series of poetic monologues and fragmented scenes, the protagonist grapples with questions of race, gender, and the search for self-acceptance.

The play's title, "*Will Still Be Whole When You Rip Me In Half*," captures the protagonist's resilience and determination to remain true to himself despite the external forces that threaten to tear him apart. It is a poignant and powerful metaphor that resonates with audiences of all backgrounds.

Artistic Vision: Oberon's Commitment to Innovation

Oberon Modern Plays is renowned for its commitment to artistic innovation. The company fosters a creative environment where playwrights are encouraged to take risks and experiment with new forms of storytelling.

Oberon's productions often feature unconventional staging techniques, multimedia elements, and a unique blend of disciplines. The goal is to create immersive and thought-provoking experiences that challenge traditional notions of theatre. This artistic vision has resulted in a distinctive and unforgettable body of work.

A Global Reach: Oberon's International Presence

Oberon Modern Plays has not only made its mark on the British theatre scene but has also garnered international recognition. The company has toured extensively, bringing its productions to stages across the globe. Audiences from New York to Berlin have had the opportunity to experience the innovative and thought-provoking work of Oberon.

Through its international collaborations and touring, Oberon has played a vital role in fostering cross-cultural exchange and dialogue. The company's productions have sparked conversations and inspired theatre makers from diverse backgrounds.

: An Enduring Legacy of Artistic Excellence

Oberon Modern Plays continues to be a driving force in contemporary theatre. For over six decades, the company has produced an outstanding collection of plays that have challenged conventions, sparked dialogue, and left an enduring impact on audiences worldwide.

Will Still Be Whole When You Rip Me In Half is just one example of Oberon's commitment to artistic excellence and innovation. With its unflinching exploration of identity and the human condition, the play epitomizes the company's mission to create theatre that resonates and inspires.

As Oberon Modern Plays enters its next chapter, it is certain to continue to push the boundaries of theatrical expression and captivate audiences with its daring and thought-provoking work. The legacy of the company is one of artistic integrity, innovation, and a deep commitment to exploring the complexities of the human experience.
